## Supplies and Encouragement for Needy Children's Leaders around the World

Kids in your church or family can encourage needy children's leaders around the world by providing them with a bag filled with encouragement and supplies to use with kids to "Help Us Grow". They can do this as part of Operation 1+1, Reach a Million Kids Sponsorship, or just for fun!

### Here's how it works:

#### 1) FILL THE BAG WITH TEACHING SUPPLIES

- a. Start with a 1-gallon clear heavy duty Ziploc® bag (or equivalent).
- b. Invite each child or family to fill it with teaching supplies needed by a children's leader anywhere in the world.
- c. Each bag **MUST** have:
  - √ Two dry erase markers (we will add special "cling" dry erase sheets for each)
  - √ A short note of encouragement for teachers (we will translate these)
  - √ \$5 to cover the cost of shipping/delivery around the world
- d. Each bag might include some or all of the following:
  - √ Chalk
  - √ A set of crayons
  - √ Colorful markers
  - √ Hard candy for kids' prizes
  - √ Tape
  - √ Pushpins
  - √ Pens
  - √ Scissors
  - √ Package of construction paper
  - √ Balloons
  - √ Reusable costume items (funny glasses, boas, hats)
  - √ Inflatable props (balls, globe, tree, animals, etc.)
  - √ Other items you think of!
- e. **Special Notes**
  - √ Please be sure all items are appropriate for a man or woman
  - √ Please do not include anything liquid, sticky or gooey (glue, chocolate, etc.)
  - √ Please do not include books or items with English words, including Bibles
